

*Preserving the Power of Scotch Cap Genetics*

# 26<sup>TH</sup> ANNUAL "BEST OF THE BEST" PRODUCTION SALE

Wednesday, **February 11**, 2026

1:00 PM (CST) Bull Center - Clarkson, Nebraska

At Jindra Angus we have stayed the course and continue to produce the same venue of high performance cattle. Our herd is influenced by genetics from many great Angus programs, but our gene pool grows most heartily from Scotch Cap genetics. The commitment to these genetics is consistent over time, and far more intricate than following fads or using popular sires.

Welcome to our 26<sup>th</sup> Annual Production Sale. What an exciting year it has been! We are grateful to see so many fellow producers doing well in the market. Although it has been a wild ride through the new dynamics of this market trend, beef demand looks strong and cow numbers are low. For us it has been most gratifying to see customers improving quality and also increasing their weights to earn not only top prices but also securing the heaviest weights in their classes of sale. Along with premium prices, added performance is efficiently generating more return per cow for our customers. Never have we been prouder to produce high quality beef genetics with performance.

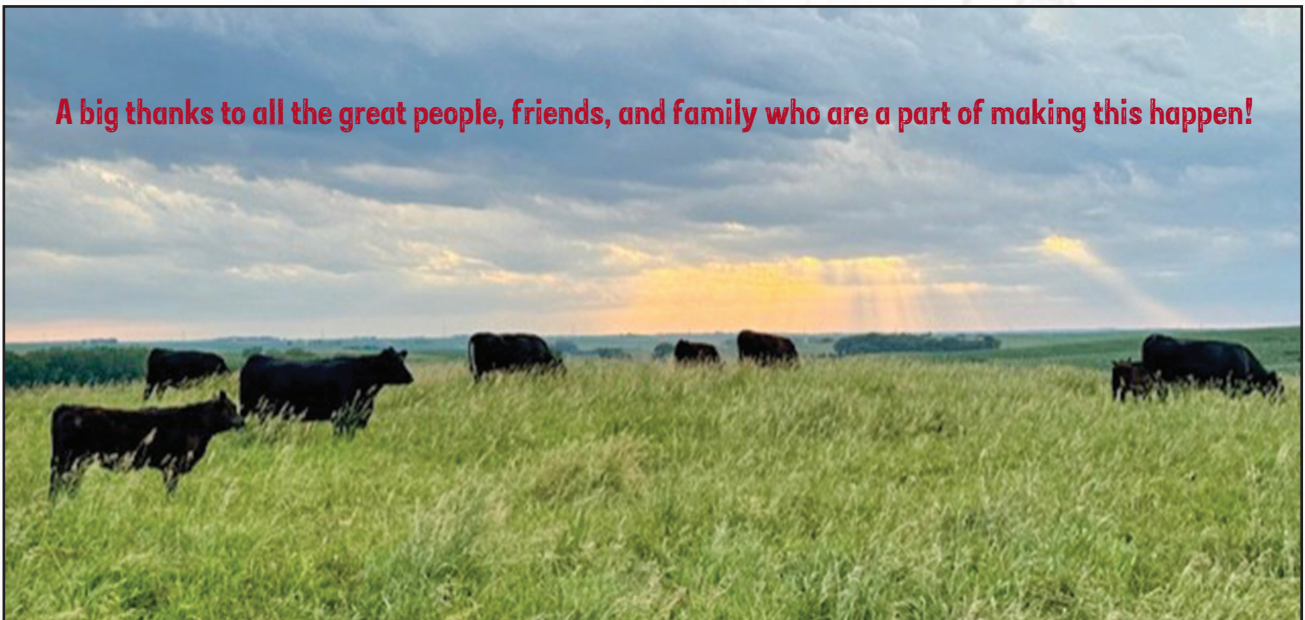

This year's "Best of the Best" Sale Offering features top genetics out of proven maternal lines that have the phenotype, fertility, and foot and udder quality that are needed to work from any angle in a wide variety of environments. The offering also is solidified with proven carcass merit of a high caliber without sacrificing phenotype and ability for wide range market flexibility. Across the pages and through the pens, we feel this is the most consistent and complete set of Sale Cattle that we have ever offered! As you scan the offering, I hope you find a good variety of sire groups and candidates to meet your particular needs. Let me know if we can visit further about it or help you out in any way. On behalf of the entire Jindra Angus Family, we all greatly appreciate your consideration and warmly invite you to join us on or before February 11<sup>th</sup>!

Nick  
402-920-3171  
nickjindra@hotmail.com

Nick, Lydia, Carrie, Emma, and Cole Jindra

**A big thanks to all the great people, friends, and family who are a part of making this happen!**

## GENERAL SALE INFORMATION

- American Angus Hall of Fame, Sale Manager - 816-532-0811

### SIGHT-UNSEEN SATISFACTION GUARANTEE

Buyers unable to attend the sale may contact any of the listed references for help in placing their bids. Bids may be taken on the phone during the sale if enough phone lines are available, but that cannot be guaranteed. All bids left are held in confidentiality and purchases are guaranteed to meet your expectations. Let Nick know if you have any questions. 402-920-3171

### TERMS AND CONDITIONS

Jindra Angus does not assume any liability in case of an accident. All cattle will sell under the terms and conditions recommended by the American Angus Association.

### VIEWING THE SALE AND BIDDING ONLINE

The sale will be broadcast this year exclusively on DVAuction so please log on ahead to register at [www.DVAuction.com](http://www.DVAuction.com). You will be able to watch and bid in real time from this site if you are unable to make it to the sale.

### VIEWING THE CATTLE AHEAD OF THE SALE

Interested parties are welcome to visit ahead of the sale to see the cattle. The day before the sale lunch will also be available. Videos of the cattle can be viewed at [www.DVAuction.com](http://www.DVAuction.com) in the video catalog section. Look for any updates on our website [www.jindraangus.com](http://www.jindraangus.com) or call Nick at 402-920-3171.

### HEALTH PROGRAM

All cattle have been preconditioned and vaccinated again at weaning time with IBR, BVD, BRSV, PI3, 7 way and pasteurella. They were poured and dewormed in the fall and again in February. The bulls will be semen evaluated and vaccinated with Vibrio Lepto. The heifers were bangs vaccinated and have also been vaccinated with Vibrio Lepto.

### DATA

EPDs are genomically enhanced with Angus GS and current as of 1/16/26. There will be an update sheet posted on our website and DVAuction with the most current EPDs, ultrasound data, and scrotal measurements the weekend prior to the sale.

### SUPPLEMENTAL DATA

Ultrasound and updated data will be available on a supplement sheet on our website prior to the sale and available at the sale on sale day.

### FIRST BREEDING SEASON GUARANTEE

Bulls are guaranteed against breeding injury for the first breeding season which is defined as the 90-day period following the first turnout of the bulls. In the event that an injury occurs please notify the seller as soon as possible to coordinate appropriate action.

### RETAINED INTEREST AND SALE ORDER

Jindra Angus will retain 1/3 semen revenue sharing interest in all of the bulls in this sale unless otherwise stated. The buyer has full possession and salvage value of the bull at the end of his useful life. Any further semen interests or flushing rights will be announced sale day. All announcements take precedence over printed material in this catalog. A sale order will be posted online ahead of the sale.

### DELIVERY & TRUCKING DISCOUNT

Bulls will be wintered at no charge and delivery will begin in March. Bulls picked up within a week of the sale will receive a \$50/head discount.

## THE 26<sup>TH</sup> ANNUAL PRODUCTION SALE!

Dear Cattlemen,

Never in history have premium genetics demanded more in the marketplace.

This 26th Annual Production Sale for Jindra Angus in 2026 brings forth the next dimension of performance Angus stacked upon multiple generations of progress. Through all phases of the market, the extra pounds and performance that you expect from Jindra Angus bulls create exponential value. Rich in the best of Hoff Scotch Cap breeding, this program is designed to add growth and performance to the bottom line. In recent years, exciting new outcross blood has been added to the mix to further assist customer needs. The Jindra prefix assures the genetic potency to consistently transmit more pounds and gain ability. A constant that continues to remain in the beef cattle industry regardless of price level is that cattle are sold by the pound, and not off computer projections. The reality is that cattlemen who are able to sell more product at weaning and yearling time, or as finished cattle, make more money, and with those factors in mind, performance continues to prevail.

This offering consists of 50 registered Angus two-year-old bulls and 125 registered Angus yearling bulls along with 40 elite registered Angus heifers. An excellent selection of high quality individuals will sell. Featured sires include Foxhovens Endeavor 203, Krays Big Country 0179, Jindra Off Road, Quaker Hill Upper Cut, Hoffman High Road, and Connealy Pinnacle, along with an assortment of others including Jindra Double Vision, KA Kindred, Jindra Cutting Edge, VAR Crosswind, Seven Oaks Influence, Big K/WSC Iron Horse, EZAR Gettysburg, Jindra Open Road, Ellingson Prolific, S Armstrong, Jindra Swagger, Baldridge Heat Seeker, and Woodhill Domain.

Nick Jindra has diligently carried forth the best of Hoff Scotch Cap genetics. Unlike any other herd today, Hoff Scotch Cap genetics are found with the same full concentration as they were in Bison, South Dakota where registered and commercial cattlemen from around the world would annually pilgrimage. Now, years gone by since the final Hoff Scotch Cap dispersal, it is rare if not impossible to find the degree of full blood Hoff Scotch Cap genetics, preserved and enhanced, as in the Jindra program. Valuable outcross alternatives are also available.

If your program doesn't already include Jindra bulls, it is not too late to get started capturing the benefits, and if you have been an ongoing customer, you already know the advantage of stocking generations of Jindra genetics. Nick knows the beef industry through his first-hand involvement in the production of breeding stock, a commercial cow herd and the feedlot segment. You can be assured that your individual goals and concerns are clearly identified.

It is a pleasure and privilege to work with Nick Jindra and his family in the presentation of this powerful offering of Angus bulls and females. Please don't hesitate to call on us at American Angus Hall of Fame if we can be of assistance in any way. We are here to serve.

Sincerely,

Tom Burke

Kurt Schaff

Endeavor was purchased as an elite calving ease prospect who stood apart in the 2023 Bull Sale Season boasting a tremendous phenotype and number package. He is a strong topped and boldly made calving ease bull with exceptional performance, foot quality, and disposition. He has quickly become a sure shot "Go To" option for heifer projects in both registered and commercial arenas. He offers dependable calving ease along with performance and all the key fundamentals that are hard to keep together in that venue. The Endeavor sons are stout and stylish and the heifers are tremendous young females. Most of his sons are suitable for heifers.

Big Country is an impressive individual with a great look and make. His sons have the same style with a great phenotype. They should make very well rounded herd sire candidates to go out and make higher performing, no holes progeny and excellent replacement females as well. Some sons can be used on heifers.

Crosswind was a thick made Fireball son from the Alta lineup that we used to offer a nice set of outcross calving ease bulls. His sons are thick and neat made with low birth, explosive growth early on with a really great number package and less mature size. Sons are suitable for helpers.

Pinnacle is another exciting young sire from the Alta Lineup. He offers a great set of powerful, deep made and good numbered sons. These well rounded herd sire candidates are out of some very complete, veteran producers and he really complements them well. Many are suitable for heifers.

Assurance was the feature and high seller of our 2021 sale where he stood apart in terms of his stellar phenotype and stature. He represents the most prolific individual out of 2 large flushes, combining the power of No Doubt with the top maternal quality of Acclaim's dam to be one of the very best beef bulls you can find in the industry. His son's are well made beef bulls that cover all the bases. His first daughters in production are amazing, good females with immaculate mothering ability, great udders and phenotype!

Off Road was the high selling standout in our 2023 Production sale where he sold for \$104,000 to Northway Cattle. He offers added length, powerful muscle shape, and correct foot and stature that is top tier among powerful growth bulls in the breed. His first calves are wide topped and performance oriented coming in pounds heavy with a great look. He carries the torch forward for a new era of Scotch Cap style breeding with powerful phenotype, added growth, carcass quality, tremendous foot quality and stature, good disposition, and tremendous maternal quality. His dam is a fabulous donor female from the Hoff Ebony family and his sire we consider to be the most dominant grandson of Hoff Insignia. Use his sons to add performance, growth, and maternal power.

Influence is a phenotypic powerhouse from the Alta lineup who adds eye appeal and checks the boxes well in all categories. He has a great set of sons here that performed well and offer a good set of numbers in an attractive package. Some of his sons are suitable for heifers.

Upper Cut is a high SC bull who caught our attention out at Quaker Hill. He had extra muscle with a big top and a catchy phenotype to go along with his outstanding number package. His progeny are very stylish and sharp looking as well with good phenotype and some high numbers on them as well. Many sons are suitable for heifers.

Xpansion was the high indexing and most complete Growth Fund son from our 2021 calf crop. He packs a punch with explosive growth and power in his progeny. His sons are thick and soggy with extra foot and bone. Some sons are suitable for helpers.

Open Road has been used by us heavily as a top tier calving ease sire. He is an impeccable Trailblazer son with excellent foot and structure. His structure is amazingly good and he stamps his progeny with the same great pattern and design. His dam is a functional, well made 10-year-old Double Vision dam that never misses a beat!
